

# AFS 350 : Air Force Leadership Studies

This course is a study of leadership, management fundamentals, professional knowledge, Air Force personnel and evaluation systems, leadership ethics, and communication skills required of an Air Force junior officer. Case studies are used to examine Air Force leadership and management situations as a means of demonstrating and exercising practical application of the concepts being studied. A mandatory Leadership Laboratory complements this course by providing advanced leadership experiences in officer- type activities, giving students the opportunity to apply leadership and management principles of this course. Three hours of lecture and one and one-half hours of lab per week. Offered fall semester only.
