

MUS 212 : Musical Ensembles

Musical Ensembles are large student performing organizations, including Band and Choir, through which students grow in artistry, technical skills, collaborative competencies and repertoire knowledge. Students will learn how to rehearse effectively, and most will have opportunities to both assume leadership roles and perform solo. Students are required to enroll in the ensemble most appropriate to their major instrument for 8 semesters.

Credits 1

Recommended

Ensemble courses should be taken in sequence (111, 112, 211, 212, 311, 312, 411, 412).
