

Commuters

Commuting students have all the privileges and responsibilities enjoyed by boarding students. They represent Stillman and are expected to uphold the ideals and standards of the College at all times. Commuters are welcome to relax in the Hay Center Blue Lounge and Stinson Recreation Center, purchase meals in the Dining Hall and Food Court, rent mailboxes in the Post Office on an “as available” basis, and have access to the Student Development and Maude Whatley Health Services for any health issues.
