

# Student Expenses

College expenses consist of (1) basic charges (tuition, room, meals); (2) special charges (required institutional and course fees, deposits, and book rental); (3) supplies; and (4) funds for personal needs. The cost to students for basic and special charges is set out in this section. The College reserves the right to change all charges and fees listed in this catalog without further notice.

Students are expected to meet their financial obligations to the College at the time of registration. If students are not able to pay their balance at registration, the College offers a payment plan, which must be paid by the end of the semester. The Office of Fiscal Affairs will mail each semester's charges to the student and/or the person responsible for the account at least twice each semester. Proper management of financial resources, including personal finances, is considered a part of each student's educational experience.
