

AFS 120 : The Foundations of the United States Air Force

This is a survey course designed to introduce students to the United States Air Force and Air Force Reserve Officer Training Corps. Featured topics include: mission and organization of the Air Force, officer ship and professionalism, military customs and courtesies, Air Force officer opportunities, and an introduction to communication skills. Leadership Laboratory is mandatory for AFROTC cadets and complements this course by providing cadets with follower ship experiences. One hour of lecture and one and one-half hours of lab per week. This course is offered spring semester only.
